The Weidmüller range of conductor and cable marker products provides users with solutions for the most diverse applications. The range of applications extends from narrow conductors right up to cables with large outside diameters. Among the products in the range are combination systems with individual tags, transparent sleeves, shrink-fit sleeves and markers, which can be fixed with cable ties.

For custom printing: Please send us a file of our labeling software M-Print PRO or M-Print PRO Online (without installation) for your labeling specifications.
