

- ① **PRODUKTBESCHREIBUNG**
- Tragegerät
 - Lampenschirm
 - Batteriefach
 - An-/Aus-Taster

- ① **INBETRIEBNAHME**
- Lampe aufschrauben und die Batterien polrichtig einlegen. Durch Drücken des Schalters werden folgende Funktionen geschaltet:
- 1= Hohe Leistung
 - 2= Mittlere Leistung
 - 3= Niedrige Leistung
 - 4= Aus

CE Das Produkt entspricht den Anforderungen der EU Richtlinien.

① SAFETY - EXPLANATION OF NOTES

Please take note of the following symbols and words used in the operating instructions, on the product and on the packaging:

- ① = **Information** | Useful additional information about the product
- ② = **Note** | The note warns you of possible damage of all kinds
- ⚠ = **Caution** | Attention - Hazard can lead to injuries
- ⚡ = **Warning** | Attention - Danger! May result in serious injury or death!

GENERAL SAFETY INSTRUCTIONS

This product may be used by children from the age of 8 and by persons with reduced physical, sensory or mental

abilities or lack of experience and knowledge, if they have been instructed on the safe use of the product and are aware of the hazards. Children are not permitted to play with the product. Children are not permitted to carry out cleaning or care without supervision.

Keep the product and the packaging away from children. This product is not a toy. Children should be supervised in order to ensure that they do not play with the product or packaging.

Avoid eye injuries - Never look directly into the beam of light or shine it into other people's faces. If this occurs for too long, the blue light portion of the beam can cause retinal damage.

Do not expose to potentially explosive environments where there are flammable liquids,

fuels or gases.

Never submerge the product in water or other liquids.

All illuminated objects must be at least 10cm away from the lamp.

Use the product exclusively with the accessories included with it.

Improperly inserted batteries could leak and/or cause a fire/explosion.

Keep batteries away from children: Risk of choking or suffocation.

Never try to open, crush or heat a standard/rechargeable battery or set it on fire. Do not throw into a fire.

When inserting batteries, ensure that the batteries are inserted with the correct polarity.

Leaking battery fluid can cause irritation if it comes into contact with the skin. Immediately rinse affected areas with fresh

water and then seek medical attention.

Do not short-circuit connection terminals or batteries.

Do not attempt to charge non-rechargeable batteries.

Rechargeable batteries must only be charged under the supervision of an adult and must be removed from the device before being charged.

DANGER OF FIRE AND EXPLOSION

Do not use while still in the packaging.

Do not cover the product - risk of fire.

Never expose the product to extreme conditions, such as extreme heat/cold etc.

Do not use in the rain or in damp areas.

GENERAL INFORMATION

Dispose of packaging after sorting by material type. Cardboard and cardboard to the waste paper, film to the recycling collection.

Dispose of the unusable product in accordance with legal provisions. The 'waste bin' symbol indicates that, in the EU, it is not permitted to dispose of electrical equipment in household waste.

Dispose of the product on a specialist disposal point for old equipment, use the return and collection systems in your area or contact the dealer from whom you purchased the product.

Batteries and rechargeable batteries contained in electrical appliances must be disposed of separately whenever possible.

Always dispose of used batteries & rechargeable batteries (only when discharged) in accordance with the local regulations and requirements.

Improper disposal may result in toxic ingredients being released into the environment, which may have adverse health effects on humans, animals and plants.

In this way you will fulfil your legal obligations and

contribute to environmental protection.

PRODUCT DESCRIPTION

1. Carrying handle

2. Lampshade

3. Battery compartment

4. On/off switch

FIRST USE

Unscrew the lamp and insert the batteries with the correct polarity. Pressing the switch cycles through the following functions:

1x High power

2x Medium power

3x Low power

4x Off

CE The product complies with the requirements from the EU directives.

Subject to technical changes. We assume no liability for printing errors.
