

Targus EcoSmart 15-16" MultiFit Sleeve, Black

- EcoSmart Technology - Made from 10 recycled water bottles
- L-shaped zipper design
- Padded laptop compartment
- Stretchable to fit most 15-16" laptops

Form-fitting and ultra-lightweight, the MultiFit Sleeve with EcoSmart® protects your laptop from everyday scratches or debris – whether you carry by hand or slip into another bag. The exterior protects from the dust, dirt and spills, while the non-scratch interior lining helps keep your laptop clear of scuffs and scratches.

This bag was designed with the environment in mind. By using GRS-certified recycled materials, 10 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerised into plastic chips, then heated and spun into yarn that was woven, and sewn into the fabric of this EcoSmart bag.
