Confirmation for European Community Directive 1907/2006/EC (REACH)

Dear Customer,

You are purchasing exclusively electronic or electromechanical, non-chemical products from Hirschmann Automation and Control GmbH and Belden Deutschland GmbH. With these products we are, in terms of REACH (1907/2006/EC), a so-called "downstream" user. Hence, we are neither subject to mandatory registration nor to the obligation to prepare safety data sheets. Furthermore, under normal conditions of use, no substances should be released from the products you purchase.

Our products do not contain residual hazardous substances originating from our production process. In consideration of the mandatory candidate list (November 05, 2025) with 251 substances and the information from our suppliers and laboratory controls we can, with the exception of the substances in certain products listed in the Compliance LookUp Table (for link, please, see below), exclude the existing of a SVHC (Substances of Very High Concern) in a concentration above 0.1 % weight by weight in our products. We will of course inform you about the presence of relevant substances in accordance with our obligations as provided in §33 of the REACH regulation with an updated Compliance LookUp.

Likewise, our products (including packaging) comply with the requirements of Annex XVII (78 entries, as of August 11, 2025) and Annex XIV (59 entries) with regard to their ingredients.
