REACH DECLARATION

Abrera, May 18, 2026

Dear Sir/Madam

We hereby confirm that the products supplied by DOGA, including windshield wiper systems, washer systems, mirrors and DC electrical motors, comply with the applicable requirements of Regulation (EC) No 1907/2006 (REACH), as amended.

Status under REACH

Doga is a manufacturer of articles as defined in REACH. We do not manufacture or supply substances or mixtures, and our products are not intended to release substances under normal or reasonably foreseeable conditions of use.

Accordingly, DOGA is considered a downstream user and therefore has no obligation for registration or authorization of substances

Supply Chain Communication

DOGA actively communicates with its suppliers to ensure that all substances contained in materials, components and articles supplier to us comply with REACH requirements, including registration obligations where applicable.

Substances of Very High Concern (SVHC)

In accordance with Article 33 of REACH, we confirm:

- None of the substances included in the Candidate List of Substances of Very High Concern (SVHC) published by ECHA are present in our products or their packaging above the threshold of 0.1 % weight by weight (w/w).
- The SVHC Candidate List is regularly monitored, and this declaration is updated accordingly following any revisions. [Candidate List of substances of very high concern for Authorisation - ECHA](#) February 4, 2026

Annex XIV (Authorization) and Annex XVII (Restrictions)

In compliance with REACH:

- DOGA declares that no substances subject to Authorization (Annex XIV) are intentionally used in our products.
- DOGA declares that our products comply with the restrictions defined in Annex XVII, and no restricted substances are present in violation of the applicable conditions.

DOGA maintains internal processes to ensure ongoing compliance with REAC requirements and monitors regulatory updates to ensure timely adaptation where needed.

If you have any questions regarding this, please don't hesitate to contact us and we will be glad to assist you.

Sincerely,

Projects & Operations Director
