

## **REACH-Status (EC Regulation 1907/2006)**

**January 2024**

Dear Customer,

we declare that all our products are in compliance with the EC regulation 1907/2006 concerning the Registration, Evaluation and Authorization of Chemicals (REACH).

All our products are categorized as articles in the manner of REACH. There is no intended release of any substance; therefore no registration is required according to Article 7 "Registration and Notification of substances in articles".

We confirm that currently none of our products contains any of the substances that are listed in Annex XIV or under consideration for inclusion (Substances of Very High Concern). Also none of the substances listed in Annex XVII is part of the formulation of any of our products. By this we are not obliged to register our products into SCIP-database.

DSG-CANUSA also fulfills the requirements according to the recent reform of January 23<sup>rd</sup>, 2024. Here ECHA has added (European Chemical Agency) other substances.

Should you have any additional questions, please do not hesitate to contact us.
