Declare under sole responsibility that:

Articles listed below **do not contain** any substances above 0.1 % (w/w) per product that are listed on the "Candidate List" of substances of very high concern (SVHC) as updated on 25th Jun 2025.

RECHARGEABLE CELLS/BATTERIES:

- NiMH Button
- NiMH Cylindrical
- Lithium Ion Cylindrical

In the sense of **REACH Regulation (EC) 1907/2006**, all products listed in this declaration are Articles (not chemicals or mixtures), which are not intended to release any substance under normal and reasonably foreseeable conditions of use, including waste/ recycling stage. Therefore, they meet the conditions of exemption and they are not subjected to REACH Registration and Notification requirements.

The scope of this declaration includes assembled battery versions of cell types listed above.

As required by REACH Regulation, article 33 - the relevant instructions to ensure the safe use of these articles, as a result of the presence of the above identified Candidate List substances in their chemical composition, throughout their whole life cycle including service life and waste/ recycling stage, as well as foreseeable misuse are provided in the respective Safety Data Sheet (SDS).

All articles listed above do not contain any substances above 0.1 % (w/w) per product that are listed in the current edition of Annex XIV of the REACH Regulation ("Authorisation List").

All articles listed above are in conformance with the current edition of Annex XVII of REACH ("List of Restrictions").

The above statements include packaging materials.
