Statement on REACH Regulation (EC) 1907/2006

Hereby, WKK GmbH confirms that the supplied products comply with Regulation (EC) 1907/2006 in its most current version (as of February 4, 2026), based on the current knowledge and information from our suppliers.

The products do not contain any substances listed in the aforementioned regulation in a concentration exceeding 0.1 weight percent (w/w), except for the product groups specified in the annex to this statement.

Further detailed information on substances of very high concern (SVHCs) can be found on the following website:
