

14th June 2023

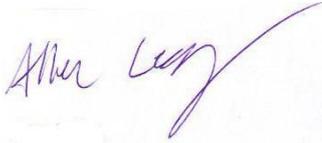

REACH Legislation

REACH is a European Community Regulation on chemicals and their safe use ([EC 1907/2006](#)). It deals with the **R**egistration, **E**valuation, **A**uthorization and **R**estriction of **C**hemical substances. The new law entered into force on 1 June 2007.

Substance of Very High Concern (SVHC)

As of 14 June 2023, ECHA (The European Chemicals Agency) has placed 235 substances in the Candidate List of Substances of Very High Concern for authorization: <https://echa.europa.eu/candidate-list-table>. Any SVHC must not be used, manufactured or imported without the prior authorization of the ECHA. The "candidate list" will be updated and published periodically by ECHA as more substances are identified as SVHC.

We confirm and assure that all our products contain SVHC substances at concentration below 0.1% (weight by weight). And we acknowledge that any upcoming products supplied from Perixx Computer GmbH will be within the REACH SVHC limit (0.1% w/w).
