

Company Statement Compliance REACH SVHC SCIP Compliance

We

Technaxx Deutschland GmbH & Co. KG
Konrad-Zuse-Ring 16-18
61137 Schöneck

Confirm that all our products are manufactured in compliance with the latest version of the REACH directive (EC) 1907/2006 and other applicable documents, incl. Annex XIV, Annex XVII: (EU) 2018/2005, (EU) 2018/588), and that - according to information from our suppliers - none of the substances specified in the latest REACH ECHA SVHC list are included in any of our product or do not exceed the maximum threshold limit value 0.1% weight by weight (w/w). Regarding SCIP reporting according to the EU Directive 2018/851 we are aware of this SCIP database requirement, namely that SCIP reporting must be performed as soon as the SVHC maximum threshold limit value 0.1% weight by weight (w/w) is exceeded.

According to our Prohibition & Declaration List, SCIP reporting does not apply to us, as none of the substances specified in the latest REACH SVHC list are included in any of our product, including packaging, or do not exceed the maximum threshold limit value.

Our REACH SVHC SCIP Compliance covers also customized products.

This confirmation applies to all supplier subsidiaries worldwide.

If in future further information will be necessary, we will meet our duty to supply this information.
