

Electromechanical hour counters

register operating and service times.

New hour counters – now with large digits and DIN dimensions 48 x 24 mm type range 250...

These are 7 digit BAUSER hour counters with the smallest dimensions for AC and DC operation. They are even suited for heavy applications on utility vehicles. Even for this range a protection class of IP65 (front) is offered.

A BAUSER top program, where everything is correct. From the technical solution, through the design up to the usual good value for money.
