

EC Declaration of Conformity

Pico Technology, as suppliers of the following products:

PS4223 & PS4224 dual channel oscilloscopes.
PS4423 & PS4424 four channel oscilloscopes.

Declare that they meet the Electromagnetic Compatibility requirements specified in the European Community Directive EMC Directive 89/336/EEC as amended by: 92/31/EEC & 93/68/EEC.

The following standards have been applied :

EN61326-1:2006 Electrical equipment for measurement, control and laboratory use – EMC requirements.
Class A emissions:

Applying
EN55022

EN61326-1:2006 Electrical equipment for measurement, control and laboratory use – EMC requirements.
Industrial Location Immunity:

Applying:
IEC61000-4-2
CISPR22(A)
IEC61000-4-3
IEC61000-4-4
IEC61000-4-6

CFR 47: 2006 Code of Federal Regulations Part 15 Subpart B – Radio Frequency Devices – unintentional Radiators.
Class A emissions.
