

# Indicator Lights - Sealed to IP67

## Colours and voltages:

|                                                                                   |                 |                                                                            |
|-----------------------------------------------------------------------------------|-----------------|----------------------------------------------------------------------------|
|  | <b>Neon</b>     | Available with Red, Amber, Green or Clear lenses<br>200/250V (marked 230V) |
|  | <b>LED - DC</b> | Red, Yellow, Green<br>LED with resistor for 12V dc, 24V dc                 |
|  | <b>LED - AC</b> | Red, Yellow, Green, Blue<br>110-230V ac operation.                         |

- ▶ IP67 Panel Sealing
- ▶ Supplied complete with gaskets/'O' rings
- ▶ Neon, LED, mains LED or filament lamp
- ▶ Bezel sizes from 7.6 to 22.9mm diameter
- ▶ Red, amber, green, blue and clear lenses
- ▶ Red, yellow, green, blue and white LEDs
- ▶ Wide choice of styles

KENAEUR

RoHS

RoHS compliant

## To create a catalogue number:

Refer to the 2 columns below (terminal and type), then state: Lens colour, voltage and whether neon, LED or filament lamp

| TERM                                                                                      | TYPE                                                                                                            | PANEL                                                                               | ILLUMINATION OPTIONS                                                                | DIMENSIONS (mm)                                                                       |
