

EC DECLARATION OF CONFORMITY

We declare that the Minebea AC fan products, identified with the “CE” mark, meet all relevant requirements of the following Directives:

Low Voltage Directive 2006/95/EC
EMC Directive 2004/108/EC*

Compliance was demonstrated to the following specifications:

- **SAFETY**
To Amendment A2:2006, of standard EN60335-1: 2002
- **EMISSIONS**
*To standard EN61000-6-3: 2007
Using EN55022 Class B limits*
- **IMMUNITY**
To standard EN61000-6-2: 2005

For and on behalf of NMB-Minebea European Group companies

Mr. Chris GREAVES
Applications Engineering Manager
1st June 2009

*NOTE:

EMC Directive 2004/108/EC came into force in July 2007, and replaced former Directive 89/336/EMC, and all of it's amendments.

The mentioned EMC standards are the most recent standards required under the year 2007 criteria, EMC Directive 2004/108/EC.
