**Integrate, expand and customise:****The ideal expansion for every application**

The consistent structure of accessories for the new Klippon® TB enclosure range means that you can easily adapt the enclosure to the specific requirements of each application.

Nameplate holders

There are a variety of designed label holders available for prominent display as required and for additional nameplates as needed.

Technische Daten

Dimensions and weights

Width	160 mm	Height	50 mm
Net weight	80 g		

General information

Material thickness	1 mm	Material	Stainless steel 1.4301
Surface finish		Note: protection class	Mounting is possible in any position on the lid, including inside the sealed area of the housing. The lid seal must, however, not be damaged. To guarantee a 100% seal, the assembly must be done using the fixing material, 1252190000 TPSD FIXING SET KTB. The attachment of the rating plate is done individually onto the rating plate holder. We recommend the use of fixing material 1285200000 SD FIXING SET for mounting.
	Mirror polished
