The MCP Plus rounds off the Weidmüller identification systems and the Weidmüller MultiCard concept. Its automatic pen depot enables the plotter pens to be stored directly on the plotter, and the special sealing rings prevent the nibs from drying out. Only two mounting plates are necessary for labelling our complete range of MultiCard products.

General ordering data

Type	ADAPTER ALU STI-S
Order No.	1762440000
Version	Installation components, Adapter
GTIN (EAN)	4032248044504
