This valve plug has a transparent housing with an integral seal. The connection cross-section corresponds to 0.5 mm² and can therefore be connected directly to our SAI IDC distributor. The operating status of the valve plug is indicated by an LED. All the valve plugs have a protective circuit. The Weidmüller range of products comprises valve plugs type A, B and C to DIN and industry standards. In the plugged condition they achieve IP 67 class of protection.

General ordering data

Type	SAIL-VSA-10U(0.5)
Order No.	1845121000
Version	Valve plug with integral seal, One end without connector - valve plug, A
GTIN (EAN)	4032248358069
Qty.	1 pc(s).
