No task is too small when creating the perfect solution.

Connections form just one part of the overall process. Small details are often the key to the perfect solution in applications where potentials are tested, grouped or even isolated.

A system is not a system without small but essential details:

- Test plugs ensure reliable pick-up from diagnostic sockets

In tandem with the manufacturing process and application.

General ordering data

Type	PS 2.0 MC
Order No.	031000000
Version	PCB plug-in connector, Accessories, Test plug, Red, No. of poles: 1
GTIN (EAN)	4008190000059
Qty.	20 pc(s).
