The DMC markers can be used for labelling switching devices or sub-assemblies. The large (12 x 27 mm) marking surface offers sufficient room for information describing the device and its function. Only one tag size for cable cross-sections from 0.5 – 10 mm² enables use on both multi-core control cables and single cores.

General ordering data

Type	DMC 12/27 MC NE WS
Order No.	1016030000
Version	Device markers, MultiCard, 12 x 27 mm, Polyamide 66, Colour: White
GTIN (EAN)	4032248725380
Qty.	50 pc(s).
