Perception *wireless*

- 30 MHz selection bandwidth (depending on local frequency plans)
- 8 hours of operation on a single AA size battery
- Rugged, "one-size-fits-all" C 544 headworn Microphone
- Gain control on handheld transmitter
- Smallest and lightest bodypack transmitter in its class
- Compatible with all AKG MicroMics
- Low battery indicator
- Smallest and lightest bodypack transmitter in its class

The Perception Wireless Vocal system delivers brilliant sound and is surprisingly easy to use. The SR 45 receiver provides professional XLR and 1/4" jack outputs. The audio level and squelch threshold are adjustable on the receiver. The handheld transmitter features a spring-steel wire mesh front grill to protect the dynamic transducer from the hardships of onstage use. Its cardioid polar pattern ensures maximum gain before feedback and makes your voice cut through any mix. The system includes an SR 45 receiver, HT 45 handheld transmitter, universal power supply with US/UK/EU adapter, SA 45 stand adapter, and one AA size dry battery.

The Perception Wireless Instrumental system is ideal for an exceptionally wide range of applications, comprising an SR 45 receiver and PT 45 pocket transmitter, the smallest and lightest transmitter in its class. It can be used with many AKG miniature microphones, and the battery compartment cover doubles as a convenient tool for setting input gain for the application at hand. The system comes complete with a universal power supply with US/UK/EU adapter, MKG L cable with ¼" jack plug and mini XLR connector, and one AA size dry battery.

The sound of your voice perfectly reproduced by the **Perception Wireless Presenter system**: the inconspicuous CK 99 lavalier microphone clips on quickly and easily, and provides optimum intelligibility for theater performances, presentations, or talk shows. Requiring little attention, it allows you to focus 100% on your presentation. The package contains an SR 45 receiver, PT 45 bodypack transmitter, universal power supply with US/UK/EU adapter, CK 99 lavalier microphone, and one AA size dry battery.

The Perception Wireless Sports system with its comfortable C 544 L and ultralightweight PT 45 bodypack transmitter ensures maximum user mobility for all handsfree applications. The new C 544 L headworn microphone comes with four moisture shields protecting the transducer from perspiration while you practice your favorite sport. The C 544 L uses the proven transducer of the C 555 L and is quick and easy to put on and replace. The system comprises an SR 45 receiver, PT 45 bodypack transmitter, universal power supply with US/UK/EU adapter, C 544 L headworn microphone, and one AA size battery.
