OMNIMATE Housing - series CH20M
CH20M BUS-AP RE TS 35X7.5 & 15

The integrated rail bus for the modular electronics housing system

When supplying, connecting or distributing within modular applications, the rail bus can replace the tedious individual wiring process with a flexible and uninterrupted system-wide solution.

The system bus is securely integrated within the 35-mm standard mounting rail. The SMD-bus contact block can be reflow-soldered so that it can be completely automatically processed during the component assembly. The resistant, gold-plated contact surfaces ensure a permanent and reliable contact for all housing widths.

- **Unlimited scalability** The integrated connection solution covers all system widths: from the 6-mm slice to the 67-mm large-area housing.

- **Easy to service during installation** It's easy to replace a module, even in existing modules groups – without any influence on the neighbouring modules.

- **Universal integration** The uninterrupted system bus is securely integrated within the 35-mm standard mounting rail.

- **Maximum availability** Five fully-galvanized and partially gold-plated twin-arched contacts are used to establish a permanent contact to the rail bus. THR solder flanges ensure that the connection to the circuit board is stable.

General ordering data

Type	CH20M BUS-AP RE TS 35X7.5 & 15
Order No.	1193170000
Version	Electronics housings, OMNIMATE Housing - series CH20M , End plate, Width: 5.1 mm
GTIN (EAN)	4032248987924
Qty.	50 pc(s).

Erstellungs-Datum December 17, 2013 1:00:12 PM CET

OMNIMATE Housing - series CH20M
CH20M BUS-AP RE TS 35X7.5 & 15

Technische Daten

Dimensions and weights

Length	40.5 mm	Width	5.1 mm
Height	9.1 mm	Net weight	0.67 g

System characteristics

Version	End plate

Material data

UL 94 flammability rating	V-0	Insulating material	Polycarbonate

Classifications

eClass 6.2	27-18-08-02	eClass 7.1	27-18-27-02
