The interlock mechanism on the VSPC Series pluggable arrester delivers extra reliability and an improved permanent contact under strong vibrating conditions.

General ordering data

Type	VSPC LOCKING CLIP
Order No.	1317340000
Version	Surge protection for instrumentation and control
GTIN (EAN)	4050118121179
Qty.	100 pc(s).

Technische Daten

Dimensions and weights

Width	17 mm	Height	13 mm
Depth	7.5 mm	Net weight	1.34 g

Temperatures

Operating temperature	-40 °C...+70 °C	Storage temperature	-40 °C...+85 °C
-----------------------	-----------------	---------------------	-----------------

General data

Protection degree	IP 20	Segment	Instrumentation and Control
UL 94 flammability rating	V-0		

CSA protection data

Internal inductance, max. L _i	0 µH
--	------

Classifications

UNSPSC	30-21-19-21	eClass 5.1	27-13-08-01
eClass 6.2	27-13-08-02	eClass 7.1	27-13-08-02
