One terminal strip for the functional unit, one plug-in connector for the cable loom fabrication. All that remains to be done is to clip the two units together during final assembly – just like a plug-in connector. Finished! Whether for railway engineering, mechanical engineering or shipbuilding applications, all are served excellently by the products of the Weidmüller Z-Series. This is because the products are easy to use and practical, and the connections are simple, reliable and quick. Modular and flexible connection systems are especially in demand where complete functional units have to be prefabricated or replaced.

General ordering data

Type	FEKO ZRV2.5 0.5-1
Order No.	1854760000
Version	Z-series, Multi-tier modular terminal, 4.15 mm, Grey, Direct mounting
GTIN (EAN)	4032248401314
Qty.	5,000 pc(s).
