

Approval document

for the LGA mark
"Safety tested acc. to German Food Regulations"

Document no. 3016645a
Fee units: 40

Name and address of the approval holder:

Electrolux Small Appliances AB

S:t Göransgatan 143,
105 45 Stockholm, Sweden

Place of production:

Electrolux Lehel Small Appliances Factory
H-5101 Jaszbereny,
Femnyomo u 1., Hungary

Date of application:

2011-10-11
2011-10-12
2011-12-15
2011-12-29

Basic test report no.

016645/AZ 94420 /AZ 99849
3016645/40
3038501/30
3039120/30

Product description:

Household water jugs and filter cartridge

Model/type:

Trademark: Elektrolux and AEG

EWFLJ_
EWFSJ_
AWFLJ_
AWSLJ_

Scope of test:

Test criteria (AA LMG 310005)

- Total migration of the plastic (jug and cartridge)
- Release of heavy metals (jug, cartridge and ion exchange material Pureresin PC200FD)
- Determination of polycyclic aromatic hydrocarbons (cartridge, activated carbon 3M and ion exchange material Pureresin PC200FD)
- Determination of Cyanide (cartridge, activated carbon 3M and ion exchange material Pureresin PC200FD))
- Release of Acrylnitrile (jug)
- Sensoric test (jug and cartridge)
- Microbiological test (cartridge)
- Water extractable toxic substances (activated carbon 3M and ion exchange material Pureresin PC200FD)
