ESD electronic front cutter, without chamfer, with opening spring

Product Features

- Ergonomically designed two-component handles for fatigue-proof and non-slip use
- Opening spring for uniform, smooth opening
- Made from special high-grade tool steel
- Mirror-polished and phosphate-treated metal surfaces for optimum rust protection and no glare when working
- Screwed precision-joint for permanent stability and optimum results
- The special conductive plastic handles ensure slow and safe removal of electrostatic energy according to standards and directives such as DIN EN 61340-5
