Article **Liberty 105 - Headlamp**

Art. number	LX209101	Color	Black	Recom. Retail Price	12,98 €
Manufacturer	LiteXpress	Material	Plastic/ Nylon		

**Description:** Whether mountain biking, hiking, walking, skating, barbecues or admission control until late at night. The LED headlamp LX209101 by LiteXpress cuts a good figure everywhere and particularly impresses with its lightness. Last but not least, their flexibility in wearing comfort (attachable) and the pivoting of the head bring great benefits. No matter which field of application you are looking for, the Liberty 105 is independent of any time of day or season and is always a practical helper: not only in sports activities, but also in security companies, the industry or the workshop. The special features are: LED headlamp with adjustable and flexible headband, lamp head swiveling up to 90 degrees, Nichia high performance LED, splash protection (IPX4), switching on and off by turning the lamp head.
