

## Product Description

Cable damage can be prevented

## Application range

---

- In combination with protective conduit
- SILVYN® EDU-AS/EMC AS-CU/AS-P
- Conduit end cover

## Benefits

---

- Cable damage can be prevented

## Design

---

- Threaded sleeve

## Note

---

- Necessary for connecting SILVYN® EDU-AS/EMC AS-CU/AS-P conduit with SILVYN® US-M/US

## Product features

---

- All-round collar completely covers the protective conduit end

Technical Data

Material

Brass
