
Transport regulations of Batteries

The following portable cells/batteries and battery packs:

Alkali-Manganese
Zinc-Carbon
Nickel-Metal-Hydride
Zinc-Air
Silver-Oxide

that we supply to our customers are not subject to dangerous goods transport regulations due to following regulations:

Air transport: IATA **Dangerous Goods Regulations** 53. Edition special provision 123

The shipping documents contain "Not restricted, as per Special Provision A123"

See transport: IMDG Code 35. Amendment special provision 304

Road and rail transport: ADR/RID 2011 special provision 304

All of these batteries are carefully packed and provide appropriate protection for prevention of short circuits

The following portable cells/batteries and battery packs:

Lithium-Metal-batteries

that we supply to our customers are not subject to dangerous goods transport regulations due to following regulations:

Air transport: IATA **Dangerous Goods Regulations** 53. Edition Packing instruction 968 Section II.

Hazardous Materials Resolution issued by the U.S. Department of Transportation (DOT) and codified in Title 49 of the U.S. Code of Federal Regulations (CFR)

See transport: IMDG Code 35. Amendment Special provision 188/230, packing instruction 903

Road and rail transport: ADR/RID 2011 special provision 188/230, packing instruction 903

Additional informations: Tel +49 911 65372260 for USA: Tel +18004249300

The requirements of the UN manual of Test and Criteria, Part III, sub-section 38.3 are fulfilled.

All of these batteries are packed and marked within appropriate protection for prevention of short circuits.

The shipping documents observe to the regulations.

The following portable cells/batteries and battery packs:

Lithium-ION-batteries/Lithium ION Batteries CONTAINED IN EQUIPMENT

that we supply to our customers are not subject to dangerous goods transport regulations due to following regulations:

Air transport:

Lithium Ion Batteries: IATA **Dangerous Goods Regulations** 53. Edition Packing instruction 965 Section II.

Lithium Ion Batteries contained in equipment: IATA **Dangerous Goods Regulations** 53. Edition Packing instruction 967 Section II.

Hazardous Materials Resolution issued by the U.S. Department of Transportation (DOT) and codified in Title 49 of the U.S. Code of Federal Regulations (CFR)

See transport: IMDG Code 35. Amendment Special provision 188/230, packing instruction 903

Road and rail transport: ADR/RID 2011 special provision 188/230, packing instruction 903

Additional informations: Tel +49 911 65372260 for USA: Tel +18004249300

The requirements of the UN manual of Test and Criteria, Part III, sub-section 38.3 are fulfilled.

All of these batteries are packed and marked within appropriate protection for prevention of short circuits.

The shipping documents observe to the regulations.
