The ratings related to these standards are published in the official Kraus & Naimer BLUE LINE SWITCHGEAR Catalogues.

We also confirm that all **switches** indicated above are Listed or Recognized by Underwriters Laboratories (UL) and Certified by Canadian Standards Association (CSA). Therefore these switches are delivered with UL's and CSA's approval mark shown on the rating label. In order to ensure continuance of conformity with the requirements of UL and CSA such products are subject to Follow-Up Service Procedures in the form of unannounced factory audits and product reviews conducted by representatives of these organizations.

We further declare that the **switches** covered by this declaration meet all safety provisions of the EC directives mentioned below. These directives represent legal binding laws of the European Union for electrical equipments. To reflect compliance the switchgears are marked with the CE mark established for this purpose by the European Union.

2006/95/EC	Electrical equipment designed for use within certain voltage limits (LV Directive)
2004/108/EC	Electromagnetic compatibility (EMC Directive)
2011/65/EU	Restriction of the use of certain hazardous substances in electrical and electronic equipment (ROHS Directive)
