

Leica S4 E with A-Stand

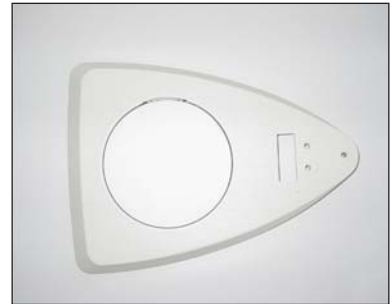

Congratulations on the purchase of your new StereoZoom®. Soon you will be enjoying some of the finest imaging capabilities modern technology can provide. All items are packed individually to secure optimal protection for storage and shipping. Prior to unpacking or assembly please make sure that your shipment contains the following individual inner boxes:

Kit # 10 810 014

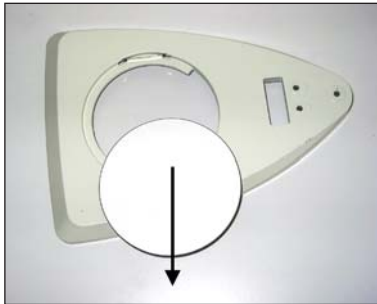

- 1 Box 10446293 S4 E StereoZoom
- 1 Box 10447130 10x Eyepiece, fix
- 1 Box 10447131 10x Eyepiece, adj.
- 1 Box 10446399 Focus column
- 1 Box 10446340 Base
- 1 Box 10447039 Dust cover

Open your box 10446399 "Focus column" and you will find:

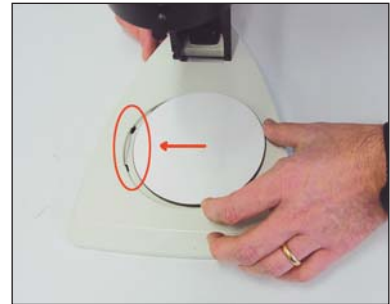

Open box 10446340 "Base"

Remove stage plate for assembly of the focus column

Insert 3 screws from the bottom of the base and screw them tightly

Slide in the stage plate from the side as shown in the picture

Unpack 10446293 StereoZoom® Leica S4 E

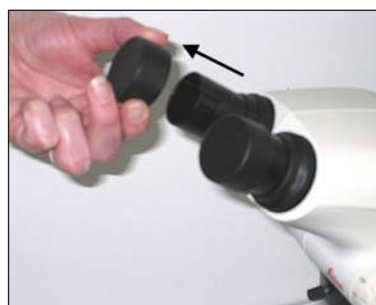

Insert your StereoZoom® ...

... in the focus column

Fix StereoZoom® with clamping screw by turning screw clockwise

Remove tube caps from the StereoZoom®

Unpack the eyepiece 10447130 and the eyepiece 10447131

Insert eyepiece 10447130 into the left eyetube as far as it will go

Insert eyepiece 10447131 into the right eyetube as far as it will go

Your StereoZoom® S4 E is now assembled and ready to use
