

## Product information

# 90 42 250

## Punch Lock Riveter

- For one-hand operation
- To join metal section sheets used in dry walling for dividing walls and drop ceilings, without needing screws or rivets
- For U- and C-shaped sections with max 1.2 mm metal (2 x 0.6 mm)
- Minimum handforce required due to optimum lever transmission

### General

|                 |                            |
|-----------------|----------------------------|
| Article No.     | 90 42 250                  |
| EAN             | 4003773047865              |
| Pliers          | burnished                  |
| Handles         | with multi-component grips |
| Weight          | 676 g                      |
| Dimensions      | 250 x 84 x 18 mm           |
| REACH compliant | does not contain SVHC      |
| RoHS compliant  | not applicable             |

### Technical details

|                         |                    |
|-------------------------|--------------------|
| Capacity in millimetres | max. 1.2 (2 x 0.6) |
|-------------------------|--------------------|

*technical change and errors excepted*

The punching tool is squeezed through the metal section sheets

Setting the pliers for connection of two metal section sheets
