

## Product information

# 92 72 45

## Universal Tweezers

- Universal Tweezers are suitable for demanding standard applications and precision tasks
- Wide range of designs: straight, angled, gripping surfaces and handles smooth or serrated, with needle points, narrow or blunt tips, as well as different lengths
- For the electronics industry, watchmakers and jewellers
- High-quality stainless steel: extremely tough and very good corrosion resistance against a variety of atmospheric environments and many corrosive materials

### General

|                   |                           |
|-------------------|---------------------------|
| Article No.       | 92 72 45                  |
| EAN               | 4003773054962             |
| Material          | stainless steel           |
| Gripping surfaces | knurled gripping surfaces |
| Handles           | serrated                  |
| Weight            | 23 g                      |
| Dimensions        | 145 x 11 x 15 mm          |
| REACH compliant   | does not contain SVHC     |
| RoHS compliant    | not applicable            |

### Technical details

|                      |                                            |
|----------------------|--------------------------------------------|
| Surface              | matt finish                                |
| Finish               | straight                                   |
| Tips width (A)       | 1.3 mm                                     |
| Tips width (B)       | 2.7 mm                                     |
| Tweezers tip version | blunt                                      |
| Corrosion-resistant  | yes                                        |
| Acid resistance      | very good                                  |
| ESD-tested           | no                                         |
| VDE tested           | no                                         |
| Sectors              | Industry electronics Watch makers Jeweller |
| Magnetic             | non-magnetisable (80%)                     |
| Behaviour            | Conductive                                 |
