## Hair dryer Ceramic HD 3700

### Product data

- 1800 W output
- 3 heat and 2 speed settings
- **Cool shot** solidifies and stabilizes the hair
- **Ceramic protection:** The ceramic-coated air outlet grille diffuses the heat more constantly and evenly, ensuring the hair fibres are fully protected and preventing your hair from drying out. The hair is hydrated and gains a healthy shine.
- Removable air inlet filter
- Slim styling nozzle
- Power cord with hanging loop
- Colour: black / cherry red

3 heat + 2 speed settings
