	TY-GRIP® FOL/ FO cable tie	61823750 14.11.2013

TY-GRIP® FOL/ FO can be used for repeated application due to quick and easy re-opening. This cable ties are ideal for protecting fragile cables as glass fibres.

Halogen-free

Assembly time

Optimum strain relief

Application range

Ideal for applications where they frequently need to be changed or constant access is required
For bundling of sensitive cables as fiber optic cables and network cables
Light and sound applications

Benefits

For easy and quick bundling
Cable friendly: Prevent injuries of cable outer sheathing
Could be reused again

Design

FOL with strap: Strap made of high-quality polymer provides additional stability and safety
FO with loop: Slitted head makes quick and easy fastening possible

Norm references / Approvals

Flame-retardant according to UL 94 HB
