The mixed assembly guarantees high flexibility. For applications in mechanical and plant engineering, for printing machines and slide-in technology.
The mix of different functions in one plug guarantees high flexibility
Assembly of individual connectors, suitable for different applications

Automation

Industrial machinery and plant engineering

Wind Energy

Info
Frame system for modules
Various functions can be used together in one connector

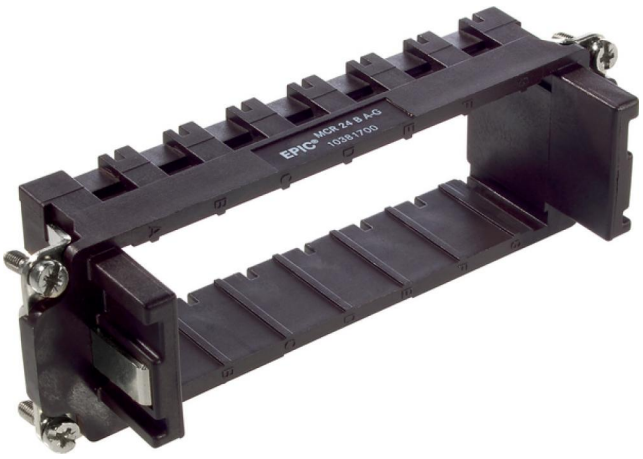

Product features
The MCR "male" frame version is designed for use with modules with male contacts; the "female" version is designed for use with modules with female contacts

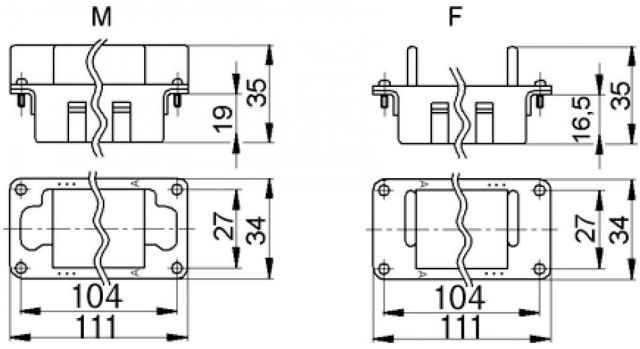

Remark
Photographs are not to scale and do not represent detailed images of the respective products.

Technical Data

Article:	MCR 24 B
Number of modules:	7
Version:	female
Pieces / PU:	5
