The mixed assembly guarantees high flexibility. For applications in mechanical and plant engineering, for printing machines and slide-in technology.
The mix of different functions in one plug guarantees high flexibility
Assembly of individual connectors, suitable for different applications

Automation

Industrial machinery and plant engineering

Wind Energy

## Info
Frame system for modules
Various functions can be used together in one connector

## Product features
The MCR "male" frame version is designed for use with modules with male contacts; the "female" version is designed for use with modules with female contacts

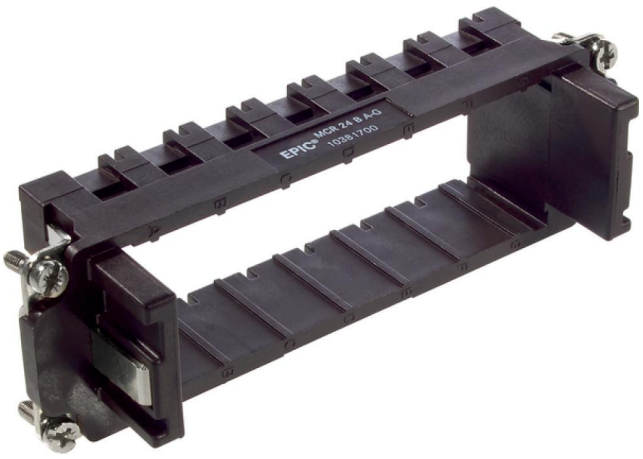

## Remark
Photographs are not to scale and do not represent detailed images of the respective products.
