

VOLTCRAFT®

VOLTCRAFT® - TOP PERFORMANCE IN EVERY WAY

“For more than 25 years, our product range has been dynamically adapting to the constant changes in the industry. We commit to offering first-class quality to our customers while delivering an excellent cost-performance ratio. This philosophy remains the cornerstone of Voltcraft’s success.”

BS-30XHR ENDOSKOP

Nº 1086336

CE

VERSION 09/14

The endoscope is a visual aid for troubleshooting or inspection of voltage-free systems and installations. The camera image is displayed on the built-in monitor. The light on the camera head can be adjusted. The removable gooseneck camera is waterproof (IP67) and suited for use in watery liquids (no acidic or basic solutions). The main unit may not be exposed to or submerged in moisture. Power supply is via four AA batteries (not included). Operation in potentially explosive areas and/or use on persons or animals is not permitted.

HIGHLIGHTS
