

Body The Belkin **BSV604af2m**, **BSV604vf2m**, and **BSV604ca2m** are surge strips that feature **six (6) extra outlets** and **two (2) 2.4A USB ports** ideal for charging tablets and smartphones at the fastest speeds. Whenever voltage fluctuation or unexpected power surges occur, these inexpensive surge strips provide temporary power to your DVD player, gaming console, speakers and other medium sized appliances – protecting them from permanent damage or data loss.

Special Features

- **Six (6)** Outlet Surge Strip
- **Two (2)** USB Ports with Universal 2.4A Output
- **650 Joules** of Surge protection
- **Two (2)** Meter cord to place in any living space
- Connected Equipment Warranty for Europe
- Connected Equipment Warranty for UK
