

► Safety Instructions

Put the device always on a stable and straight surface. It will damage the device if it falls.
Don't place the device into direct sunlight or in places with high temperature. This will damage the device or shorten its average lifespan.
Don't place it near heat sources like radiators or other heat producing devices.
Don't expose the device to water, moisture or high humidity.
Don't place it in the bathroom or the kitchen near a sink. Avoid direct contact with water.
Don't try to open the device.
Prior to the first use of our product make a backup of your data.
In the case of improper use, we are not liable for any loss of data.
In any case, liability for loss of data is limited to the effort that is necessary to restore from existing backup copies.

Congratulations on the Purchase of UA0227-UA0229!

Please read the manual and safety Instructions before using the product for the first time. Otherwise damage may result.

According to the European WEEE directive, electrical and electronic equipment must not be disposed with consumers waste. Its components must be recycled or disposed apart from each other. Otherwise contaminative and hazardous substances can pollute our environment.

You as a consumer are committed by law to dispose electrical and electronic devices to the producer, the dealer, or public collecting points at the end of the devices lifetime for free. Particulars are regulated in national right. The symbol on the product, in the user's manual, or at the packaging alludes to these terms. With this kind of waste separation, application, and waste disposal of used devices you achieve an important share to environmental protection.

This device corresponds to EU directives 2014/30/EU and 2014/35/EU. With the CE sign LogiLink®, a registered trademark of the 2direct GmbH ensures, that the product is conformed to the basic standards and directives. These standards can be requested online on www.logilink.de. All trademarks and registered brands are the property of their respective owners.
