

WinTV-soloHD

WinTV-dualHD

HD TV receivers for your PC ...

watch, pause and record your TV programmes in HD!

TV tuners for the most popular European over-the-air digital and digital cable HD TV formats

Triple mode TV receivers: Freeview HD (DVB-T2), Freeview (DVB-T) and free-to-view digital cable (DVB-C). Watch free Digital Terrestrial TV on your Windows PC in HD (DVB-T2) and SD (DVB-T)

WinTV-soloHD: a single tuner triple mode TV tuner for watching or recording one TV programme at a time

WinTV-dualHD: a dual tuner triple mode TV tuner, for Picture-in-picture or for recording two TV programmes at the same time

Plugs into the USB port on your Windows laptop or desktop PC

Includes the WinTV v10 application for Windows. Record your digital TV programmes in the original digital quality. Receive HEVC, H.264 and MPEG-2 broadcasts throughout Europe, with AC3, AAC and stereo audio.

Plug the WinTV-soloHD or the WinTV-dualHD into a USB port on your Windows PC or laptop and you can watch, pause & record High Definition and Standard Definition digital TV with the included Hauppauge WinTV v10 application. The WinTV-soloHD and WinTV-dualHD can receive DVB-T2, DVB-T and DVB-C broadcasts.

The WinTV-dualHD can turn your PC into a HDTV digital video recorder (DVR). With the WinTV v10 application, you can have Picture-in-Picture, record two programmes at the same time, or watch one TV programme while recording another. A built-in Electronic Program Guide (EPG) allows you to see what's on TV now and what's coming up. Schedule TV recordings with the EPG. Plus pause live TV and record your favourite TV programs in the full digital TV format.
