

Technical drawing of a PCB layout for a 16-pin connector. The drawing shows a rectangular board with 16 pins arranged in two rows of 8. Dimensions are given in millimeters. The overall width is $1.27 \cdot N + 0.85$. The overall height is 1.50. The distance between the center of the first and last pin in a row is $1.27 \cdot N - 1.27$. The distance between the center of the first and last pin in a column is 2.54. The pin pitch is 1.27. The pin dimensions are PIN0.40*0.72.
