

SP 5211/SP 5212

Speaker Stand 35 mm

The SP 5211 is a classic tripod speaker stand made from thick walled, yet lightweight powder coated aluminium tubing with a load capacity of 50 kg and 192 cm maximum height. The die-cast aluminium leg collar has been completely redesigned to provide superior durability and longevity, the height adjustment collar is made of steel for additional strength and is virtually indestructible. It features a safety pin to securely lock the 35 mm diameter extension pole in place. The ergonomic set screw knobs are made from high grade ABS with a soft touch, non-slip thermoplastic coating for comfortable operation. A set of black coding rings is included with the SP 5211, additional ring packs are available in a wide array of colours for instant personalization.
