DESCRIPTION

Make your life a little bit easier with the Princess 332834 Garment Steamer. It is suitable for steam cleaning clothes, curtains and upholstery. The garment steamer only needs 45 seconds to heat up completely. Creases, dust mites and smells are a thing of the past with just a breeze of hot air.

For any situation

The Princess Garment Steamer has a handy clothing rod that can be adjusted in height so you can steam blouses or long dresses with the same ease. This practical clothing rod can also be adjusted in width for blouses or spaghetti tops.

Even suitable for delicate fabrics

Stop spending your time and money on trips to the dry cleaner and become a steam master. The Princess Garment Steamer can also freshen up or straighten delicate fabrics like silk or wool. Keep the steam nozzle a little bit further away when steaming your delicate clothes for the perfect result.

Safe and user friendly

You can easily move the Princess Garment Steamer around the house thanks to the swiveling wheels. The removable water reservoir has a volume of 1.8 liters and can be easily refilled while you are busy steaming. The garment steamer has many safety measure to ensure a safe use. It has an dry boil protection, an overheating protection and a flexible nozzle so you can use it safely. The power cord has a length of 1.9 meters so you do not need a power socket very close by.

Easy to store

The Princess Garment Steamer is adjustable in height so you can collapse the rod and just wheel it into a closet.

Kills 99% of all bacteria

Stuffed animals, pillows and dog beds. Places that gather a lot of bacteria and are hard to clean. The Princess Garment Steamer makes this an easy job. The hot steam kills almost all bacteria and gets rid of even the foulest smelling dog scents. The clothes steamer stops working after 8 minutes automatically so it is safe to us as well.

What's in the box:

Princess Garment Steamer, brush attachment, adaptor for water bottles, instruction manual

Reasons to choose the Princess Garment Steamer:

- Creases disappear before your eyes so you do not need to iron anymore
- The hot steam makes clothes free from creases, smells and bacteria for a fresh look
- Heats up within 45 seconds so you can start steaming quickly
- Convenient adjustable clothing rod for coats, blouses and dresses
- Kills 99% of all bacteria and dust mites so your clothes, stuffed animals and upholstery is fresh and clean
