

THULE MOTION XT SPORT

## Thule Motion XT Sport 6296T / 6296B

Stylish and spacious roof-mounted cargo box, optimized for ease of use.

1. Optimized design - for best space efficiency, aerodynamics, and vehicle fit.
2. Easy to mount - thanks to the extra wide, pre-installed PowerClick quick-mount system. The integrated torque indicator “clicks” when it’s properly mounted, ensuring fast and secure fitting.
3. Easy to open and close - safe and smooth lid opening and closing in all conditions due to grip-friendly outer handles and supporting lid-lifters.
4. SlideLock system - with separate locking and opening functions, automatically locks the lid in place and indicates when the box is closed securely.
5. Full trunk access - with minimal risk of contact with the cargo box, thanks to its forward position on the vehicle roof.
