IRIScan™ Book 5

The flatbed scanner killer is born!

IRIScan™ Book 5 is a light, autonomous, standalone, high resolution and lithium battery powered portable color scanner that allows you to scan magazines pages, books pages or letter & A4 documents such as invoices, contracts or even your favorite recipes. All this without having to rip pages off and damaging original support of document. It's the world's fastest portable autonomous scanner with down to 1 sec. scan per document. Simply roll your way across the document and your scan will be saved automatically into the provided MicroSD™ card, ready to be transferred onto your PC or Mac. Once back at home, hotel or in the office, the scanned documents are automatically turned into editable documents by the worldwide used I RIS' flagship OCR software Readiris™

In other words, it offers exactly what a regular flatbed scanner may offervbut scans faster, anywhere, on any kind of document supportvwithout damaging it, and without warming up time needed, it gets thevsame image resolution level and all this on the go, without the need of a computer! A new era of scanning just begun, let's then enjoy this powerful liberty of document capture solution on the go with IRIScan Book!
