

VOLTCRAFT®

VOLTCRAFT® - TOP PERFORMANCE IN EVERY WAY

“Since 1982, our product range has been dynamically adapting to the constant changes in the industry. We commit to offering first-class quality to our customers while delivering an excellent cost-performance ratio. This philosophy remains the cornerstone of Voltcraft’s success.”

CC-2 ROUND CELL CHARGER

CE
VERSION 12/21

N° 1613311

Intelligent charger with automatic and manual charging current setting. The four charging slots are independent of one another and can be used with different rechargeable battery types and capacities. The device is easy to use. Just insert the batteries and leave everything else to the charger. A battery test function automatically detects the battery type and status. If necessary, the charger enables the refresh function, restoring the battery to full power and extending the battery’s service life.

FEATURES:

Suitable for NiCd // NiMH and lithium-ion rechargeable batteries
Battery test/refresh function // USB charging output //

EQUIPMENT:

Micro-processor controlled // Individual slot monitoring // Fast battery test function // Minus deltaU charger switch-off // Adjustable charging and discharging currents // Automatic trickle charging // Discharge function // Temperature monitoring // Detection of incorrectly inserted or faulty batteries // Easy operation via four keys // Overcharge protection // Overload protection // Illuminated LC display // Display of charging time, charging voltage, charging current, capacity and internal resistance. //

TECHNICAL DATA:

Number of charging slots	4 (for baby cells/Sub-C cells max. 2)
Compatible battery	NiCd, NiMH, lithium-ion
Charging current per slot	300, 500, 700 or 1000 mA
Discharging current	250 or 500 mA
Suitable for battery size (NiCd/NiMH)	Mignon (AA), micro (AAA), baby (C), Sub-C
Suitable for battery size (lithium-ion)	10440, 14500, 16340 (123A), 17355, 17500, 17670, 18490, 18650, 26500, 26650
Operating voltage	100 - 240 V AC
Product dimensions (L x W x H)	157 mm x 93 mm x 35 mm
Weight	193 g

PACKAGE CONTENTS:

CC-2 round cell charger // Power supply // Operating instructions //
