

Product information

00 50 04 T BK

Tethering System Set

- Complete set for reliable tool protection: holding capacity for tools up to 1.5 kg tested in numerous drop tests
- Set with lanyard (00 50 01 T), three adapter straps (00 50 02 T) and two carabiners (00 50 03 T)
- The combination of the separate parts produces a versatile system with a large number of attachment options
- Reduces the risks of tool loss, injury to living beings and damage to objects
- To meet regulations while working at heights, for example industrial climbing, arborists, rescue services, at sea, etc.
- The roughly 90 cm long gathered fabric strap tether stretches to a length of about 1.5 m when weight is applied
- Suitable for all KNIPEX pliers with tether attachment point
- Max. load: 1.5 kg tool weight
- No PPE (personal protective equipment): not suitable for personal safety!

- Read all warnings and instructions on product and packaging carefully prior to use
- No PPE (personal protective equipment): not suitable for personal safety!
- Only for latching tools from the KNIPEX Tethered Tools range, connected and combined in accordance with tethering system instructions
- Do not use around moving or rotating equipment
- Will not support human weight
- Inspect for wear before each use. Do not use if evidence of wear.
