

Overview

HP USB Optical Scroll Mouse

Models

HP USB Optical Scroll Mouse

QY777AA

Introduction

The HP USB Optical Scroll Mouse utilizes the latest optical sensing technology, recording precise motion over a variety of surfaces without a mouse pad.

NOTE: The optical sensor does not work on a glossy/reflective surface.

Key Benefits

- Reduce sticking and constant cleaning with optical tracking – a system that works through light with less moving parts for greater durability than ball-based mice.
- Users benefit from a smooth, contoured shape that fits both hands – and a wheel that functions as a third button.
- The optical sensor within the HP US Optical Scroll Mouse employs a scan rate of 800dpi and enables crisp motion without a mouse pad, ball or roller.
- Left-handed or right-handed users can enjoy a contoured shape that suits either preference.

Compatibility

The HP USB Optical Scroll Mouse is compatible with the Z230 Tower Workstation, Z230 SFF Workstation, Z420 Workstation, Z620 Workstation, Z820 Workstation, Z1 AiO Workstation, Z1 G2 AiO Workstation, Z440 Workstation, Z640 Workstation, Z840 Workstation, HP 200/ZHAN/Desktop Pro Series MT/SFF/DM/AiO, HP ProDesk 400 G1 to G6 MT/SFF/DM/AiO, HP ProDesk 600 G2 to G5 MT/SFF/DM/AiO, HP EliteDesk 705 G2 to G5 MT/SFF and HP EliteDesk 800 G1 to G5 TWR/SFF/DM/AiO.

NOTE: MT=Micro Tower; SFF=Small Form Factor; DM=Desktop Mini; AiO=All-in-One

NOTE2: Not all models are available in all regions.

Overview

Service and Support

Your Option Limited Warranty is a one (1) year (HP Option Limited Warranty Period) parts replacement warranty on any HP-branded or Compaq-branded options (HP Options). If your HP Option is installed in an HP Hardware Product, HP may provide warranty service either for the HP Option Limited Warranty Period or the remaining Limited Warranty Period of the HP Hardware Product in which the HP Option is being installed, whichever period is the longer but not to exceed three (3) years from the date you purchased the HP Option.
