Clip-on Frame – small

Product ref.: 151996A0

Product features

- Universal application for space-saving wall mounting of battery operated devices in 55 mm format (e.g. Homematic IP Wall Thermostat or Homematic IP Wall-mount Remote Control)
- Devices with the dimensions of 55 x 55 mm can be easily mounted into the small clip-on frame without any tools
- Simple and flexible installation thanks to supplied adhesive strips or screws
- Installation is possible also at locations with little available space
- Compatible with all devices with the dimensions of 55 x 55 mm (e.g. Homematic IP Wall Thermostat with Humidity Sensor) but also with devices of other product groups like Homematic, MAX!, FS20, etc.

Technical specifications
