

STANLEY®

Stanley 10-481 FatMax Snap-Off Knife, 18mm

- Blade wiper removes excess debris to prolong the life of the blade
- Stainless steel barrel rust resistant for longer life
- Cartridge holds up to 6 blades for instant blade replacement
- Push button cartridge release stores spare blades for fast blade change
- Push button blade clamp reduces blade wobble for more precise cutting control
- Removable blade snapper for faster and safer removal of a worn segment
